If you'd like to sign for Rally, please fill out the Rally form below and return it to me by October 15th. Rally which will be held on Saturday, March 31, 2012 at NDSU Festival Hall is an event sponsored by FMMTA (Fargo Moorhead Music Teachers Assoc.) when students play two pieces of a contrasting nature in a small group setting and are evaluated for their performance. Students are also tested in their keyboard skills and knowledge of theory. This is an excellent opportunity for musical growth. To sign up, students should be at least in their second year of piano.

At Festival students only play two specially selected pieces also from memory (unless they are hymns or duets) in front of an evaluator in a small group setting. Points are earned. Five, a superior is the highest score for each year and after fifteen points are earned, a gold cup is awarded. Festival is held the last Saturday, February 25, 2012 and is sponsored by NDFMC (North Dakota Fargo Music Club) also of which I'm a member. Student participants also should be at least in their 2nd year of piano.

I suggest that a student do the Rally experience before opting for Festival. The entrance fees will not be refunded should there be a cancellation.

More information will be given later should your child be participating in either Rally or Festival this piano year of 2011-2012.
